Company Profile

VERSALINK is proud to be a Malaysian success story. We have gone global and our business has transcended the borders of the world, but we never forget our roots in this country. We have received praise and awards for the design and quality of office furniture from industry experts both local and international, and we have also established a customer-oriented business model that enables our growth to develop at a steady rapid pace. In order to maintain our position as one of the leaders in office furniture both in Malaysia and in the world,

We dedicate our resources to continuous research and development to ensure that our office furniture remain in the forefront of revolutionary design. In addition, we devote our resources to giving back to society by implementing various socially and environmentally responsible practices. Our products ranging from:

- RECEPTION • ARCHITECTURAL WALL SYSTEM • SYSTEM SERIES • EXECUTIVE SERIES • MEETING & CONFERENCE • FILING & STORAGE • SEATING • EDUCATION SERIES • MODERN ACOUSTICS • OFFICE ACCESSORIES

“World-class manufacturer and exporter of office system Furniture”

Versalink was established in 1991, to cater to the Malaysia furniture market. We distinguished ourselves ahead with our innovative designs that combined aesthetic beauty, ergonomic, technology, durability and comfort.

Our reputation soon grew by leaps and bound as clientele pool increased. In 1995, Versalink had grown at a rate that going global was a platform to develop further. Focusing on innovation and renovation, we have introduced a wide range of system furniture in our offerings. We have **exported about 60% of our quality office furniture to many countries around the world.**

Our current plant sits on a land covering 6 acres with manufacturing built up area of 176,000 sq.ft and warehouse space of 45,000 sq.ft. Powered by about 297 workforce, it also comprise of a 3 storey corporate office with biggest office furniture showroom in Malaysia. In September 2014, we marked a new milestone with our listing in the Singapore Stock Exchange.
